

Sponsorship Opportunities

Sponsorship is a very important part of charity events, and what other group of people understands that more than sprint car fans? This tournament features several different types of sponsorship and advertising opportunities. Billy Kimmel was a spirited driver with great aspirations. With your help, we can turn this into an event that would make Billy proud. So not only can you come out for a day of golf, but also, you can gain exposure for your company, all while supporting a great cause.

1. **Title Sponsors** – This year we are proud to have Pancho's Racing Products as the title sponsor for the event.
2. **Gold Sponsors** – Gold sponsors will receive a company sign on the tee box and at the green, of their designated hole. Your company will also receive an automatic, four-person entry into the event. Lastly, each gold sponsor will received recognition on the NSCBBA and Beerhill Gang websites, as well as the tournament program (half page ad).
3. **Silver Sponsors** – Silver sponsors will receive a sign at the tee box, at their designated hole. Each silver sponsor will receive recognition on the NSCBBA and Beerhill Gang websites, as well as the tournament program (1/8 page ad).
4. **Bronze Sponsors** – Bronze sponsors will receive a sign at the tee box, of their designated hole.
5. **Private Sponsors** – Anyone who would like to make a private donation may do so, there is no required amount. Please advise if you would like to remain anonymous.
6. **Program Sponsors** – We will be selling program space after January 1st, 2008, at a price that is yet to be determined.
